

2018 ANNUAL OCEAN SHORES SAND & SAWDUST FESTIVAL

Ocean Shores/North Beach Chamber of Commerce
June 22, 23, 24, 2018

Dear Nonprofit Organizations,

Join us for the **2018 Ocean Shores Sand and Sawdust Festival, June 22-24**, in downtown Ocean Shores.

I am very honored and excited to have been asked to produce the **Sand and Sawdust Festival** by the **Ocean Shores/North Beach Chamber of Commerce**. I have been working very closely with Executive Director Piper Leslie, the Board of Directors, and the many local participants and sponsors to expand and enhance the Festival and to attract more local residents and tourists throughout the Northwest.

The Chamber has been working hard the past couple of years to improve the **Sand and Sawdust Festival** and other events to take advantage of the dramatically growing tourism opportunities. Ocean Shores has also become a top destination for second home and vacation properties.

I have been producing festivals and events for many years, including 18 years at the Northwest Folklife Festival in Seattle and the past 17 years as Executive Director and a founder of the Dungeness Crab & Seafood Festival in Port Angeles plus many years at the Sequim Lavender Festival, as well as other arts and festival activities. Living and working in Port Angeles and Sequim for the past 20 years I am very familiar with the issues of rural tourism and small communities and especially of the Olympic Peninsula and Washington Coast. I have also produced conferences in Ocean Shores in the past so I am familiar, and getting more familiar with the community.

Enclosed is the application for participation in the **2018 Ocean Shores Sand and Sawdust Festival**. The deadline is **Friday April 20, 2018** and we encourage you to apply!

If you have questions or comments, especially if you have participated in this show before, please contact me directly: info@sandandsawdust.org. or phone 360-808-3940. Of course, you can also talk with Piper about our plans for this year.

Sincerely,
